Hi Mike,

Thanks for this email. When you hear from Gale and Jean, can you extend an invite to Paul w/ cc to me when you discuss the modified JD approach?

Thanks!  
Erin

Mike and Paul,

As you remember, DWR (Gale and Jean) worked out with us a wetland assessment strategy for BDCP (attached files). As it turns out, they are going to have to modify their approach. Main problem is that no-one will let them onto their property.

At some point in the near future they will send us a modified approach, for us to review and decide if it will be sufficient for 404b1 analysis. We'll probably meet with Gale/Jean to have them talk us through their new proposal.

Thanks
